## **THE FEI CODE OF CONDUCT**

### **FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. ## **RULES FOR THE LONGINES GLOBAL CHAMPIONS TOUR (GCT) 2014**

### **Overall classification**

Athletes may take part in all LGCT events. Maximum fifty percent of the 2014 LGCT competitions held, rounded up to the next whole number will count for points to establish the 2014 LGCT overall classification. Events on borrowed horses are excluded from this fifty percent maximum. In case of a tie on points for any position at the end of the season the athlete with the greatest number of first placing will be classified before the other athletes tying for the same position on points. If there is still a tie the athlete with the greatest number of second placing will be classified before the other athletes and so on until all those equal on points have been separated.

A prize money for overall classification will be offered to the top eighteen competitors in the LGCT overall classification (tour series) as follows:

- 1<sup>st</sup> place 31%
- 2<sup>nd</sup> place 20%
- 3<sup>rd</sup> place 13%
- 4<sup>th</sup> place 8%
- 5<sup>th</sup> place 5%
- 6<sup>th</sup> & 7<sup>th</sup> places 3,5% each
- 8<sup>th</sup> to 11<sup>th</sup> places 2% each
- 12<sup>th</sup> to 14<sup>th</sup> places 1,5% each
- 15<sup>th</sup> & 16<sup>th</sup> places 1% each
- 17<sup>th</sup> & 18<sup>th</sup> places 0,75% each

Prizes won by competitors who are tied are added and divided equally.

The amount of the prize money for the overall classification in 2014 is EUR 950'000.

The top three athletes in the LGCT overall classification after the last competition must be present at the last event of the LGCT to receive their prize in person and must be available for the press conference following the last competition in the LGCT for the season in question

Athletes must be dressed in competition attire.

No prize money will be given to a rider who does not present himself at the prize giving

# LONGINES GLOBAL CHAMPIONS TOUR OF CASCAIS, ESTORIL – 10-12 JULY 2014

ceremony for any of the LGCT competitions if required to do so. **This does not apply for the overall classification except for the top three riders.**

## Invitation system for each event

### Group 1

The riders 1 to 30 (60% of the number of riders participating) on the Longines Rankings two months prior to the event are invited. In case of riders declining invitations replacements will be selected from the Longines Ranking in descending order. Riders in this group cannot be lower on the Longines Rankings than 150<sup>th</sup> place. Substitutions will be taken in descending order until 10 days prior to the start of the Event (this applies also to the FEI wild card); for the events organized outside European countries, due to the requirements for horse flights and health documents, the deadline will be 30 days before the event. After this date the place(s) will be allocated by OC (Group 3).

### Group 2

Five participants are selected in Group 2 (10% of the number of riders participating) : **4** will be home riders and will be selected by NF. Also included in this group is **1** FEI Wild Card. The **4** home riders are selected by the home National Federation and the FEI Wild Card by the FEI. Should the NF and/or FEI not be able to meet its quota of riders in this group, the quota will be filled by inviting additional riders by OC (Group 3).

### Group 3

15 participants (30% of the number of riders participating) are selected by the OC. It is not obligatory that these participants be chosen from the Longines Ranking. The FEI will apply a certain amount of flexibility in relation to enforcing the rule obliging OCs to have at least 10 NFs represented.

## Entries

In accordance with the current FEI rules on entries, no competitor may enter more than one event on the same weekend without the agreement of both OCs. The penalty for contravening this rule is disqualification from the event. This does not apply to athletes on the definite entry list who have been selected to replace another athlete at a CSIO on the same week end (Jumping rules Art. 251.14). OCs of LGCT events will permit athletes who withdraw following the deadline date for the definite entries from a LGCT event to participate at a CSI 4\* or lower event on the same dates but will not allow participation of such athletes in another CSI 5\* on the same dates.

## Eligible for each Longines GCT Grand Prix

Participation in each Longines GCT Grand Prix is open to maximum 50 (fifty) athletes . To be eligible to start in the Longines LGCT Grand Prix the competitor must complete in the event one competition with the horse he/she will ride in the Longines LGCT Grand Prix (in case of mixed competitions (one round and jump-off or two rounds we consider the first round; in case of a 2 phase competition we consider the 1<sup>st</sup> phase, if applies also in case art. 274.5.6 is used for two phases competition).

If the Longines GCT Grand Prix is held on the second day of the event and for whatever reason a competitor has not been able to complete a competition on the first day of the event with the horse to be ridden in the Longines GCT Grand Prix, the competitor in question may take part with the horse to be ridden in the Longines GCT Grand Prix in a competition on the same day as the Longines GCT Grand Prix if he / she wishes to take part in the Longines GCT Grand Prix. This exception is only applicable if the Longines GCT Grand Prix is held on the second day of the event.

## Designated class for Longines GCT ranking

The class that counts for points in the Longines GCT ranking is the Grand Prix, which takes place on the Saturdays or Sundays of the events.

It is a jumping competition over two different rounds against the clock with one jump off against the clock in case of a tie on penalties for the first place (Art. 273.3.4.1):

- A maximum of 18 (eighteen) participants return for the second round based on penalties and time in the first round. In any case, all participants with zero penalties in the first round return for the second round. The participants that tie for the 18th place (penalties and time) are

allowed to participate in the second round;

## **LONGINES GLOBAL CHAMPIONS TOUR OF CASCAIS, ESTORIL – 10-12 JULY 2014**

- Participants are classified according to their penalties in both rounds and if necessary according to their penalties and time in the jump-off.

- The participants of the second round not taking part in the jump-off are classified according to their penalties in both rounds and time in the second round;

- The participants of the first round not taking part in the second round are classified according to their penalties and time in the first round.

### **Starting order**

The starting order will be established according to a draw. Participants are divided into two groups based on their position on the Longines Rankings at the time of the event (we consider the 1<sup>st</sup> competition day of the event). The competitors in the group with the higher ranked participants start last in the first round.

The order of starting in the second round is according to the reverse order of penalties and time in the first round.

The order of starting in the jump-off is according to the same order as in the second round.

### **Point system**

Only competitors participating in the second round will obtain points in each competition of the LGCT.

The following point-system will be used for each Longines GCT Grand Prix:

## **14. STEWARDING**

The following policy is effective as of 1 July 2014:

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.

This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).
